~ continued on other side ~

- Join ESCRIP! It's fast and easy and you can do it online at our school's website. Just click on the icon. You may register your Safeway card as well as any Visa, AMEX, or Master Card and a portion of your purchase goes directly to our Parent-Teacher Club account which ultimately goes right back into our school. Please check it out and help us continue to provide excellent enrichment programs and events all year long!
- The teachers at ZCES believe that elementary school is training ground for life skills and career success. Daily attendance as well as arriving at school on time, is critical to academic success. Entering class late not only disrupts the learning of others, it halts instruction. Please help support your student by modeling these qualities and getting him/her to school on time every day.
- **The ZCES Student Pledge:** I will learn with a positive attitude, respect myself and others, follow the school rules, and always be safe.
- **The Mission Statement for ZCES:** We are committed to each student at ZCES and believe that our children are our hope for the future. We believe that all students are capable of becoming competent, responsible citizens. In partnership with parents, faculty and staff, we will ensure a safe, healthy, positive and motivating environment to help all students achieve their academic goals.
- **MOTTO:** Zephyr Cove Elementary School...Expecting the best!
